OUR SCHOOL PROFILES
2017 - 2018

Adopt-a-School Foundation
TABLE OF CONTENTS

Adopted Schools 2
Assisted Schools 30
Schools on our Waiting List 56
This is a birds-eye view of our Whole School Development model in action in the 208 schools that fall directly under the Adopt-a-School Foundation. The interventions conducted in the 240 Free State schools adopted by KST are reported on in their independent Annual Report.

Some of the schools below are under full adoption programmes and some have been adopted for shorter periods of times or given once off assistance. Whole School Development is an on-going process that requires a variety of different interventions to create effective and conducive education environments.

Adopt-a-School Foundation relies on corporate and individual donations to effectively implement Whole School Development in all of the schools in our programme.
# Profiles of Adopted Schools

Adopted schools include those schools that have current committed supporters and are receiving ongoing support through Adopt-a-School Foundation and schools that have completed a holistic 3 – 5 year Whole School Development investment. All of these schools continue to need further investment and development programmes.

| 1  | Zikhethele Secondary School  
Leke  
Adopter: Industrial Development Corporation  
Additional Supporters: Oxford University Press | Learners: 988  
Educators: 33  
Classrooms: 23  
Average number of learners per classroom: 46  
Matric pass rate: 71% | Strategic planning and teambuilding programme  
SMT and SGB Leadership and Governance Programme  
Leadership training for LRC  
Strategic planning review | Renovation of the science laboratory  
Renovation of the ablution facility | Science resources and Science educator development programme  
Accounting educator development programme  
Mathematics, Mathematics literacy and Physical Science Programme for Grade 11 and 12 learners | Sanitation and Hygiene programme  
Dictionaries  
Library books | Infrastructure: Ten classrooms, a feeding scheme kitchen, an ablution facility, sports facilities, Library renovations, computer laboratory renovations, paving  
Curricula and Co-Curricula: ICT programme,  
Library books and librarian training, sports equipment and sports coach training, environmental clubs  
Social Welfare: Vegetable garden |
| 2  | Moses Maren Technical High School  
Eikenhof  
Adopter: Industrial Development Corporation  
Additional Supporters: Adopt-a-School Foundation, MacSteel, Shanduka Foundation, Oxford University Press, Capitec Bank, Standard Chartered Bank | Learners: 1108  
Educators: 43  
Classrooms: 31  
Average number of learners per classroom: 33  
Matric pass rate: 70,8% | Strategic planning and teambuilding programme  
SMT and SGB leadership and governance programme  
Leadership training for LRC | Renovation of the combination court  
15 classrooms  
A science laboratory | Science resources and Science educator development programme  
Mathematics educator development programme  
Mathematics, Physical Science and Accounting Programmes for Grade 11 and 12 learners  
Home Affairs ID Campaign  
Sanitation and Hygiene Programme  
Winter clothing | Soccer balls  
Dictionaries  
Library books  
Calculators | Infrastructure: Three ablution facilities, a feeding scheme kitchen, a technology laboratory, a Library, a school hall; Renovation of the woodworking workshop, classroom renovations, ablution renovations  
Curricula and Co-Curricula: Mechanical technology, science resources, Library books and librarian training, ICT programme  
Social Welfare: OVC support programmes; expansion of the Vegetable garden |
| 3  | Boschkop Primary Farm School  
Pretoria  
Supporters: FeverTree Consulting, Biblionet, Room to Read, Oxford University Press, Barclays Capital | Learners: 913  
Educators: 26  
Classrooms: 19  
Average number of learners per classroom: 46 |  
An ablution facility  
A computer laboratory  
A Grade R facility | Library books and librarian training  
Grade r Resources and educator development programme  
Language and literacy programme |  
Vegetable garden |  
Dictionaries | Leadership: Strategic planning, leadership, governance and teambuilding programme  
Infrastructure: An ablution facility, a science laboratory  
Curricula and Co-Curricula: ICT programme, remedial training for educators, science resources and science educator development, Fundraising workshop for the SGB  
Social Welfare: OVC support programmes |
| 4  | Lawley Primary School  
Johannesburg  
Supporters: L’Oreal, Biblionet, DRA, Water For All | Learners: 1921  
Educators: 56  
Classrooms: 27  
Average number of learners per classroom: 70 |  
An ablution facility  
A water pump  
A Grade r Facility  
Renovations to the school hall |  
First aid training  
OVC support |  
Library books  
Office furniture | Leadership: Strategic planning, leadership, governance and teambuilding programme  
Infrastructure: Classrooms, a science laboratory, a computer laboratory, an ablution facility, an administration facility, sports facilities, a feeding scheme kitchen  
Curricula and Co-Curricula: Science resources and educator development programmes, ICT development, librarian training, sports resources  
Social Welfare: OVC support programmes, a Vegetable garden, school uniforms |
